104 we wanter him to look at the security we here from Wheaver this was on the 30 on 31 in morning & I case in to Bollplow counting Room other found Barriett & W Mitchew & atheover, m'atheava said it was necessary to get an open to in the IE Book in case we should when it, to redeam our lives through the wenter, I that it aught to be done as soon as possible, the develor Thought best to sign a found Bond for Severy five thousand Dollars where by they were to become responsible for that amnount to redeam our bies if necessory which was agner upon that day by are the develor Mr Upton was to Make the arangement when he went to Boston on Monday Mextwe Met in the Bank at 6 oclock by agreement day Withthese Richard Mitchen & W mitchese Ty of Bupton Imy self blooker over one securities habilities &c, Geondades to send on the bond be then get of Mitchen & mitchen Il. to seeine the Bout for theramount du from Them blefour the leability of the Bout ace we could, & thep the institution as song as possible, It was thought adverte to get along as es as possible & get all we could from Other, in hopes also that he might get along ewith his to without having be wind up his affaire) Unties things looked more prosperous with acc of us, all of which seemed to be approved of by I'M apton othought to be the best ways eve met to geather at M Uptons on first find any of 1mo ist 6 Pm day Borrett &W Mitchen W metche I Joy any self to make further arrangement & to get mo uplow to advise with Couriece in Boston about our securities, Gobe, we show the best to see me atheore that evening blog & get him he seeme the die he had on hand to up Barrell bony self rout to his house after s Mr Mitches he confer with him, he said he had no Objection if he could in any way that rould not make difficulty, he said he wanted To Manufacture the die as soon as popular Ship it he N Jork he could then draw fifty lot for gaccon on it sevouce give us the drafts for the amount eather on the Mellet of May &

I was call on last evening 12m 29 between Eight Whine Oceant by IN Barres I requesto to go down to the taufer Bank. Barnett said he felt very Bad & Fresunis Their was some deficulty, any going down Bornett State to me then was deficulty . the Bank, by & throught the President are of which would be explained to are by The bashin M. Mitchece, on entering the house I found there Me Mitcheel David Jay & Richard Atthethier, Milliam, m. begain. At tree me the burnes, he stated that when the Commissingers were here in 8 m last on examination of the institution they found a ageniney in our forreignless. say with the New Engline Bank as near as my mimory serves me was 63,000 Dollas and had been discount by them without the Knowledge of I Mitchese or any one of the develoy, he littlevise stated that Whearns other leability were large but did not as I rember thate the amount of his leabilities to the Banks, he stated that the commejongers adversed be with him call on athern & stated are the cerementon to him he acknowledged it was true Gewas swelling to give the Bank sufficient security which he did do to their satisfacts & the commissingers recommended to the bashin not be Make it Known to the Directors 4 of the Bank but get are the security he loved they mot dishearten IN atheans 4 believing he might get work through. Je that when one of the commessingers of believe M Shovy came here in 10mthat it was made known by him to Dity de & Soon Aftervaro to IN Bornett Richard Mitchel 13 and then to IN Mitchese & on this night to SH Me. I was struck with astonishment & did not know what course we had better take I however said I was now fearfull that On we had not security enough for the an

No 2 Bank What our whole aim aught be beide get ace the security for the Bank, we could, both for I Wheam & also Bosker & When, & if popile try & Sustain the Bank the publit from any lofts. which was acquided the by ace present so to do, we left the Bank about 10 Oclock. Leaved at the Bout this Morning & Mm Mitches Hateo that in ashearn had promised to give him ten Thousand Dollars security on theis Frankin & Banker Vathern thinken Thousand on Ship fapan Montoned had some conventation with IN Bornett VYW mitches this day on the above subject. I have Omitte that on the evening we first Mit I secommended that all the other diretors should be informed of the whole subject, it was thought best to get ace the the security first not knowing but that Ho M' Wheam was indebted to them or their frunds - up to this twenty doing of 12 m' at Right we have had the greatest confidence in M atherns integrity & ability to pay ace his habelity & have a large amount left. Falso believed that the Bank was as sound as any other in the State to show that I down interesto three thousand Doctors in the last Stort That in deposit paper for evelection Mot due Therely two Hundred Doccars or their about & Ine thousand bash deposit a part of which was Town alion the Bank the same day I got the above with are the devectors discounted some paper -I we requests the bosher to get from m' Wheren as much security as he could in Uddetion to what we are ready had to Jecure us, for what he had taken, Inot let him Know that the directors were informe of his doing, 28 conferd through the with directors & agree to meet are of us in the Bank at 6 Oclock IM are met except Levi Harbuck to long & get at are the habitities of James athean, Barker Jathern Gc, James althe as near as we could get at it amounte le One Hundred Sefty Mine thousand Dollars which and he had taken without the knowledge of the Directors at least the most of carrie toward
